Reasons for Allowance

Claims 11-13 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding claim 11, the closest prior art of record, applicant's admitted prior art (Fig. 20 of drawing) does not disclose the following limitations: the variable impedance circuit including at least one second variable impedance device which is connected between a node between the plurality of first

variable impedance devices and the second potential.

Any comments considered necessary by applicant must be submitted no later than the

payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for

Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's

disclosure.

Any inquiry concerning this communication or earlier communications from the

examiner should be directed to Henry Choe whose telephone number is (571) 272-1760.
